27 March 2017

Dear Parents / Guardians

And so we come to the end of the first grade 4 term. The children have all adjusted and settled in well with their new routine and have definitely earned a good rest!

Dates to remember

Please remember that school will re-open on Tuesday the 18th of April 2017.

Statement of Results

There will be a teacher-parent consultation evening on the 25th of April, where you will be able to speak with me, individually, with regards to your child's academic performance. We will give you more information closer to the time.

Textbooks and stationery

Some learners still do not have the required textbooks. It is really hard for them to work without these books. Please note that the shops do not keep stock of the books and unless you place an order with the bookshop they will not be able to help you. At the end of the 2nd term your child will be writing exams and simply cannot write without these textbooks.

Art shirt

Please can I ask that you ensure that your child brings an art shirt to school. An old adult shirt is perfect as it covers their uniform completely. Uniform is expensive and continuous exposure to our art products will damage it.

Tala Game Reserve

I'm sure that you've heard endless accounts of our lovely outing to Tala Game Reserve. The learners had an amazing time and a lot of learning took place. Thank you to each and every one of you who ensured that your child was at school on time.

Speech and Drama

Thank you to all the parents who assisted their children in learning for the speech and drama. We had the privilege of entertaining our grannies and grandpas with some of our poems and I trust that they've all had a great time.

Tests and prepared activities

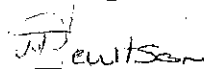

Please can I ask your assistance with tests and prepared activities such as orals and presentations. These are noted down on your child's homework sheet for the week. I find that children often do not prepare and as a result score very low marks. Please understand that all written work counts towards their marks. It is in their best interest to prepare for all these activities. As they are new to the grade 4 curriculum and challenged with more subjects and bigger quantities of work, they will need your supervision.

Please can I ask that you encourage your child to read during this holiday as it is both beneficial and fun for them.

As we all look forward to the holiday, I hope that you will have a blessed and very special Easter time with your family. If you are travelling, I pray that God will grant you travelling mercies and that you will find rest in Him during this holiday.

I would like to leave you with John 20 v 19 "Peace be with you ..."

Kind regards

Mrs I Clemitson
Class Teacher

Mrs L Martin
Head of Department
